

ELECTRONICS

NEXT INDIA 2011

THE HUMAN SIDE OF ELECTRONICS

7-10 January, 2011

Hall No.: 2, 3, 4 & 5 Pragati Maidan, New Delhi, India

Next generation global market place and International Exhibition,
Conference and Awards for EMS, Electronic Components,
Materials and Production Equipments.

Embrace the next

plan the next

ELECTRONICS NEXT INDIA is an annual international exhibition catering to the needs of electronics market in India and has become a significant platform for conducting business, networking and staying up-to-date with the latest electronics industry trends from across the world.

EXHIBITORS' PROFILE

Components:

- Semiconductors
- Passive Components
- Micro Controllers
- Component Materials
- Sensors, Switches and Relays
- Cables and Connectors
- Electro mechanical Components
- Modules, Hybrids, Sub-assemblies & Subsystems
- ED/EDA
- Electronic Displays
- Power Electronics

Production Technology & Equipment

- SMT
- EMS
- Printed Circuit Boards (PCBs)
- Component Manufacturing Technology
- Packaging
- Soldering Materials, Tools and Technology
- Test and Measurement Instruments
- Tools, Dies and Moulds
- Manufacturing and Logistics for Semiconductors, Microsystems, PCBs, Sub-assemblies, Modules and Hybrids
- R&D services
- Embedded Systems

VISITORS' PROFILE

i. OEM & Brands from:

- Information Technology
- Communication Technology
- Medical Technology
- Electronics and Electrical Engineering
- Machinery and Plant Construction
- Automotive Electronics
- Aerospace Technology
- Quality Control
- Consumer Electronics
- Research and Development
- Government Officials

- ii. Trade Bodies & Associations
- iii. Industry Leaders

BOOTH COST & PACKAGES

Options	Booth Scheme Types	Domestic Exhibitors (INR)	International Exhibitors (USD)
Option I	Space Only - Min. 18 sq. mt.	9300 + 10.3% Service tax *	215 + 10.3% Service tax *
